The contents of the most recent update are substantially as follows:

Update on the Strategy for the Portfolio

To date, since the launch of the piecemeal disposal strategy for the portfolio, twenty-two properties marketed as trading care homes have now been sold.

In addition, fourteen properties marketed as closed care homes have now been sold. Currently, six trading care homes and seven closed care homes are being marketed for sale.

Ultimately, it is the intention of the Special Servicer, working with the Asset Manager and the Operator to continue preparing batches of trading homes for future marketing for sale so that eventually the entire portfolio is sold and recoveries made for the Lenders.

Covid-19

An update on the effects the current Coronavirus outbreak is having on the UK-mainland and Northern Ireland operations is included in the respective trading updates set out in Schedule 1 of the notice.

In terms of the effects on the disposal strategy, the lock-down of the care home sector and specifically the Larchwood Care business during 2020/21, resulted in any non-essential visits being prohibited.

This in turn meant that no visits by buyers' advisors (e.g. valuers) were permitted and hence, the anticipated timeframes for progressing the sales were elongated as a consequence. As the restrictions have eased, this has enabled the Operators to permit more widespread, third-party access to the properties and this easing supports the continued intention to market further care homes for sale in the next 12 months.

UK-mainland portfolio

Closed properties

Currently, there are six closed properties remaining namely:

- three (Copper Beeches, Heathmount and Silver Birches, situated on the same site) and following the receipt of the “pre-app” response from the planners on the site and the remediation of the presence of Japanese knotweed on site (plus on-going preventative management of future reoccurrence), a data-room has been established for use in the sale of the properties and a sales agent has been engaged to undertake the marketing for sale of the site.
- a closed care home located in Droitwich that was deemed uneconomic to continue operating and which having been under offer and in the legal process, is currently being reviewed following the withdrawal of the buyer.
- a closed care home located in Huddersfield that was deemed uneconomic to continue operating and which having been marketed for sale, is currently under offer and in the legal process.
- a closed care home located near Glasgow that was deemed uneconomic to continue operating and which having been marketed for sale, is currently under offer and in the legal process.

Below is a summary of the number of closed care homes remaining in the Ashbourne portfolio.

	Total	6	6	100%	3	3	0

Once the marketing processes have been launched and the sale of the closed properties develop toward a conclusion, the Special Servicer will update noteholders accordingly.

Trading care homes

Following the completion of the various sales, currently there are three care homes that having been marketed for sale, are now in legal documentation

Below is a summary of the number of trading care homes remaining in the Ashbourne portfolio.

<u>Status</u>	<u>Location</u>	<u>No of homes</u>	<u>For sale</u>	<u>%age for sale</u>	<u>Offer Accepted</u>	<u>In the legal process</u>	<u>Contracts Exchanged</u>

	Total	29	16	15%	3	3	1

The Special Servicer has chosen not to identify such assets so as not to detract from the future trading and marketing for sale of such businesses, however it will update noteholders as the various disposal processes develop.

For those trading homes that are in the course of legal documentation, approval will be required from the relevant regulator for the proposed change of registration to the proposed new owner, with the latter taking up to 26 weeks to conclude.

As the sales processes for the remaining trading care homes develop toward a conclusion, the Special Servicer will update noteholders accordingly. Going forward, the Special Servicer in conjunction with

the Asset Manager and the Operator, will continue to select further batches of care homes to be assessed for possible disposal and thereafter placed with a sales agent for marketing.

England portfolio

In light of the progress made to date with the existing marketing processes, the Special Servicer discussed with the Asset Manager and the Operator, the possibility of commencing the marketing of a further batch of care homes.

Following this review, six trading care homes located in England have been selected for disposal and a sales agent has been engaged to undertake the marketing for sale of the homes, which is likely to commence in Q1 2023.

As the sales processes for the remaining trading care homes develop toward a conclusion, the Special Servicer will update noteholders accordingly.

Northern Ireland portfolio

As previously disclosed, following the conclusion of the marketing process, the primary bidders completed visits to the care homes, to enable them to refine and ultimately finalise their bids. Following receipt of best & final bids, a preferred bidder (which is an existing owner and operator of care homes in the province) was selected to proceed to the second phase of due diligence, toward eventually completing the acquisition of the portfolio.

Whilst the preferred bidder commenced its due diligence, the funder supporting the acquisition withdrew from the transaction, for reasons entirely outside of the control of the preferred bidder, the Special Servicer or the Borrower and unconnected to the portfolio itself.

Subsequently, the sales agent pursued some interest that had previously been expressed in the portfolio, however this has not come to fruition. Notwithstanding the absence of interest, the Northern Ireland portfolio continues to operate at consistently high levels of occupancy and EBITDARM generation, as evidenced by the most recent quarterly trading update herein.

Upon review, the Operator, the Special Servicer and Asset Manager engaged a sales agent to market the portfolio for sale and marketing commenced in January 2023.

Below is a summary of the number of care homes remaining in the Ashbourne portfolio, their status (e.g. Closed or Trading) and the number of properties currently being marketed for sale.
